FURNITURE.

FOR SALE.

That lot of ground adjoining on the north of the block of buildings built by Kirland & Fitzgibbon, on south Meridian street, near the Union Depot, 100 ft. front by 210 feet deep, will be sold in 20 or 25 feet lots, or the whole of it in one lot. This is a valuable locality for persons wishing to purchase business property, as the wholesale business of the city will be concentrated on this street and the property can be bought for nearly one-fouth the prices of Washington street property. It has been demon-trated, by actual sales, that there has been as many goods sold by houses on this street, as any on Washington street, and, in our branch of the business, I sold, when in business, more tobacco at wholesale than any three houses on Washington Street. The locallity of this ground, for a whole-sale business, has a greater advantage in the saving of drayage than any other location in the city, as goods can be delivered on the pavement by all the Leave the Depot at Madison at 6 A. M. and 3 P. M., ar- railroads. This advantage will save half the rent of a store room on Washington street. For Terms, enquire of
